Tuesday, January 9 1872

Police Court.

(Before A. E. Pemberton, Esq.)

Monday, January 8th, 1872.

Kitty, a Port Roper Indian woman, was charged by another Indian woman with stealing a silver watch.

Charles, a Hindu, was arrested by special officer Farrell, with burglariously entering the premises of P. Gilligan.

Ab Saw, a Chinaman, given in charge by D. Lane, charged with stealing a scarf. Remanded for two days.

John, a tall Spring Island Indian, was charged with stealing a boat; was remanded for one day.

What HAVEN DEED FOR.—Colonel Montgomery was shot in a duel with a dog; Colonel Samson in one about a servant; Mr. Featherstone in one about a recruit; Sierna's father in one about a dog; and another gentleman in one about a sack of potatoes.

One officer was challenged for merely asking his opponent to enjoy the second obelisk; and another was compelled to fight about a piece of land.

General Barry was charged with being a Captain Smith for declining wine at a dinner on a steamboat, although the general had pleaded as an excuse that wine-invariably made him sick; and Lieutenant Crowther lost his life in a duel because he was refused admittance to a club of pigeon shooters.

In 1177, a duel occurred in New York City, between Lieutenant Featherstonehaugh, of the 6th, and Captain McPherson, of the 42d British Regiment, in consequence of the latter's eating an ear of corn, one contending that the best eating was from the cob, and the other that the grain should be cut off from the cob before eating.

Lieutenant Featherstonehaugh lost his right arm, the ball from his antagonist's pistol shattered the limb dreadfully; so much that it had to be amputated.

Graham, Major Noah's assistant editor on the *National Advocate*, lost his life in 1852, at the dwelling ground at Rochester, with Barton, the son-in-law of Edward Livingston, in a simple dispute about "what was trumps" in a game of cards.

WASHINGTON TERRITORY.—A party of immigrants arrived at Olympia on Saturday last, from Iowa and Minnesota, and left by the steamer to look up places upon which to settle.

Rev. Mr. Demmon, of Seattle, has resigned his pastorate, and will engage in missionary work around the Sound. Carl Bosco has been "disappointed" at Olympia at the recent dates. The *Intelligencer* says: It is reported by persons coming down from Olympia that the management of the N. P. R. intend obtaining from Congress an extension of the time in which they are required to complete the road between the Columbia river and its mouth on Puget Sound. It is said that they desire, after connecting their road with Budd's, to use Steamboat navigation on the Sound for the present, and to be relieved from building for the next five or ten years, as the forty miles each year, on this route, as is required by the Joint-Resolution passed about a couple of years ago. We hardly credit the correctness of the report, but give it for what it may be worth.

THE KITTY COBURN.—The San Francisco papers publish the arrival at that port in distress, of the brig Kitty Coburn, bound from the inlet, laden with lumber for Shanghai. She will have undergone considerable repairs before she can proceed. The vessel sailed from Royal Roads on December 3rd; when three days out, during a heavy gale, the vessel sprung a leak; for the first two days she experienced a heavy gale from the S. E. and S. W., and the next three days a heavy gale from the S. E. and S. W.; then continued to square away for Honolulu; on the 21st the wind hauled to S. W. and blowing heavy, squaled away for San Francisco, crew being water for the present on the pump, ship, she having on three different occasions eight feet of water in her hold; on the 20th she experienced a heavy sea which started deck and stove company away.

THE TIBBORN TRIAL.—On the 17th November, the claimant's bankruptcy was made before the Bankruptcy Court. A further adjournment was asked for, and the registrar suggested that the matter should be postponed for a considerable period, as expense was involved by the frequent adjournments. On behalf of the bankrupt it was asked that the adjournment should be for three months, as until the trial now proceeding was terminated nothing could be done. The trial, it was stated, would probably last for three months longer, and perhaps until midsummer. The sitting was further adjourned until the 12th of January.

THE SALE OF TERMINUS PROPERTY.—Wm. H. Avery, of the banking house of G. A. Bates & Co., of Olympia, and General McKinley, Superintendent of Indian Affairs for Washington Territory, are in town for a few days, and are staying at the Colonial Hotel. As we before noticed, they have come across with a view to offer for sale, lands in the vicinity of the Puget Sound terminus of the Northern Pacific Railroad.

Caled.—John J. Jacobs of the St. Charles Hotel was called on New Year's day, but he was rather pleased than otherwise, for in this instance, instead of having the cone laid upon his back, it was presented to him by the employees in the hotel as a mark of their esteem. There were speaking and drinking and merry-making after the presentation.

FROM THE SOUND.—The North Pacific arrived yesterday afternoon with a large number of passengers, among whom are Gen. McKinley and Mr. Avery of Olympia, who came over with a view of offering for sale lots at the terminus of the N. P. Railroad. The steamer also brought over a number of horses, beef cattle, slaughtered sheep, &c., and mail and express.

THE CANADIAN PACIFIC.—Private advices were received yesterday from Canada, that a company of capitalists are about to apply to the Ottawa Government for a charter to build this great overland railway. We understand two, the company possess all the requisites to make the undertaking a success.

FOR SAN FRANCISCO.—The following passengers booked per Prince Alfred for San Francisco up to last evening: G. Johnson and wife, Coulson, U. S. N. Capt. Parsons, C. McEab, H. Nelson, M. P., S. P. Moody, Van Bremer and Bacheider.

Sailed.—The bark Victor was towed out of the harbor by the steamer Grappler yesterday morning, outside she was met by the steamer Goliath, which towed her over to Port Gamble, where she will load lumber for Honolulu.

PROFESSOR BOSCO will resume his magic exhibitions at the Theatre in this place on Saturday evening. He will be over by next trip of the North Pacific. Whilst on the Sound he performed before large audiences.

Capt. STAMP left Portland, Me., by steam-
Marion, on December 9th for Liverpool.

The New Senators.

The Times of Wednesday announced the appointment of the following Senators:—

FOR MANITOBA.

"Hon. M. A. Girard and Mr. John Sutherland."

The first named gentleman is a French Canadian who occupies the position of Treasurer in the Provincial Cabinet. Mr. Sutherland is a Scotch half-breed and represents Kildonan in the Local Assembly.

Both are excellent appointments, and will we feel assured, be highly satisfactory to the people of Manitoba. Of course they will not be acceptable to the *Globe*—as that veracious sheet has all along predicted that Mr. Louis Riel would be one of the first Senators from the "Prairie Province"; Mr. Brown in this instance is clearly a false prophet.

FOR BRITISH COLUMBIA.

"Hon. Dr. Carrall, Mr. J. V. Cornwall, and Mr. Macdonald."

Of these, only one gentleman, Dr. Carrall, is known to us. He will be remembered by many of our readers, as one of the delegates who came to Ottawa in 1870, to negotiate for the admission of the Colony into the Dominion.

He is a native Canadian, of fine intellectual acquirements, and possessing considerable experience of public affairs.

FOR QUEBEC.

In the room of Hon. Mr. Duchesnay, deceased.

"Hon. A. Chasseguet de Léry."

The new Senator from the ancient Province is the representative of one of the oldest and most distinguished families in the Dominion.

He is, besides, a man of much enterprise and public spirit, and in 1870 was elected President of the Levis and Kennebec Railway.

Since 1867 he has occupied the seat in the Legislative Council of Quebec.—*Ottawa Citizen*, Dec. 15.

A CRASH.—The wharf at Messrs. Moody, Dietz & Nelson's lumber yard, Store street, fell down with a crash, yesterday at noon.

A large quantity of laths, pickets, &c., were upon it, which probably was the cause of the accident.

THE PANORAMA.—Mr. Bacheider exhibited last evening, for the first and last time in this place, the Diorama of the Apocalypse, which won the plaudits of the largest house that he had since his arrival here.

The basement saloon, Patrick's old corner, will be reopened on Thursday evening. This time by Mr. Sax, when a musical entertainment will be given each evening.

THE PRINCE ALFRED will leave Brodick & Co.'s wharf for San Francisco at one o'clock this afternoon. She will anchor outside the harbor till about 7 o'clock for the mails.

FOR NANAIMO.—The Grappler, Captain Devereaux, left for Nanaimo yesterday afternoon, for a cargo of coal for Messrs. Brodick & Co.

PARLIAMENTARY.—A dispatch of December 23rd dated at Toronto, says, Parliament has been prorogued until January 18th, vacancies in the Ministry will then be filled.

SAILED.—The clipper barque Polly, according to an exchange, sailed for this port, from London, on the 30th November, with a cargo of general merchandise.

FROM SNOKE.—The steamer Emma returned from Snook yesterday afternoon where she went to tow the bark Mountain Ash out of that harbor.

BALL.—The annual ball of the Caledonian Society will be held on the 25th inst., at the Alhambra Hall.

THE SENATORS.—The *Canada Gazette* contains the appointment of Senators Carrall, Cornwall and Macdonald.

FOR THE EAST COAST.—The Sir James Douglas will leave for Comox, Nanaimo and west ports at 7 o'clock this morning.

A GROOM of the Prince of Wales died of typhoid fever, contracted about the same time as the Prince's disease.

FOR OTTAWA.—Hugh Nelson, Esq., M. P., will leave for Ottawa to-day, to take his seat in the Commons at Ottawa.

MAIL PER PRINCE ALFRED.—The Post Office will close this evening at 6 o'clock.

Ending Jan. 30th, 1870.....1,676,152

Ending Jan. 30th, 1871.....1,663,236

The St. Louis Trade Conference advocates the commercial blending of Canada and the States—no Custom Houses on the border, and a uniform tariff for foreign imports.

The press of Newfoundland express grave fears that the introduction of steamships in the protection of the Seal Fishery will exhaust the supply by wholesale slaughter.

The increasing commerce of Canada is shown by the fact that the tonnage arriving at Port of Montreal has increased from 259,000 tons in 1870 to 316,840 tons in 1871—the ratio of increase in tonnage in 1871 being also large.

W. Scott, M. P. for Ottawa city, has been elected Speaker of the Ontario Legislature without opposition.

Sir Hugh Allan (as already stated) has returned from Liverpool.

Major Taché, one of the staff of the Governor General, died on the 10th ult.

Intelligence of a distressing disaster comes from Halifax of shipwrecks and loss of life during the furious storm, which recently prevailed on the Nova Scotia coast. On the shores of Cape Breton island three vessels were broken to pieces, and twenty-five men perished.

The immediate construction of the Northern Colonization Railway has been promised by Sir Hugh Allan if the city of Montreal will give it the "million dollar grant" which has so long been a bone of contention among railway promoters.

The Ontario Government was again defeated—by yeas, 32; nays, 40. There was but one absentee.

Three French half-breeds have been tried at Windsor, Quebec, for war against the Queen by taking part in the late "Fenian Raid." One, Oiseau L'Entende, has been sentenced to be hanged on the 24th of February next.

Another, Andre Jerome, was remanded, and the third was discharged. The condemned man was one of O'Donoghue's scouts.

The Belgium immigrants who settled in the Province of Quebec a short time since are doing well.

In the opening of the Ontario Legislature, the Lieutenant-Governor's speech commenced: "During no period in the history of Her Majesty's North American Colonies has there been found recorded of any one of them a condition of prosperity which can at all approach that now almost everywhere exhibited in this Province, and it therefore affords me great pleasure to congratulate you on so favorable an aspect of our country's stride in the path of material advancement."

The Chairman and Commissioners of the International Railway are giving the road in Nova Scotia a thorough investigation. They have left Halifax and are now inspecting other portions of the line.

It will be recalled that in the Tibborn case, in this case, it was shown that the contestant for the Tibborn estates was a passenger on an English vessel named Bella, which foundered off Rio on the South American coast and that he was picked up by others by the Captain of an American vessel named Osprey.

THE AUSTRIAN EMPEROR'S SPEECH ON THE OPENING OF THE BELGIAN PARLIAMENT.

VIENNA, Dec. 25.—To the Reichsrath to-day the Emperor Francis Joseph delivered a speech from the throne with which the session usually opens. After the customary formal congratulations His Majesty proceeded to deal with some concessions, he was sorry to say, had not brought internal harmony to the State as desired. The Crown, while it contemplates the existence of separate kingdoms with constitutional privileges, claims that its acts are in the interest of the whole Empire as well as of individual States. Great stress is laid on the enforcement of obedience to the laws. The Government will

accede to the wishes of Galicia in so far as they are compatible with the interests of the Empire. Measures are promised which will render the Reichsrath a completely representative body. Bills to reform election abuses and to decentralize the Landwehr system will be presented. The foreign relations of the Empire are favorable for the maintenance of peace and the unification of the Austrians. A complete settlement of the educational system is recommended. Budget is expressed in the fact that a portion of the Empire remains represented in the Reichsrath, where alone the attainment of an undertaking is possible. Despatch are ordered to supply the spiritual and material wants of the country. The Emperor closes by declaring that Austria is weary of international conflict and desires peace and order.
